## BUCKAROOS AGAIN IN TIE FOR FIRST PLACE

### AFTER THE THIRD PENDLETON SLUGS HARD—FINAL SCORE IS 11 TO 7.

WALLA WALLA, Wash., May 8.—(Special)—The Buckaroos got the Bears where the hair was short yesterday and there was nothing to it but the shouting. Score Pendleton 11, Walla Walla 7.

The game was almost over before it was started. The Bears started well, holding the Bucks down, then in the third one of those pesky errors got a Buck on a base and the tap, tap, tap of the bat against the ball was heard the rest of the game.

All the pitchers were hit hard but the Bears the hardest. The sixth inning was a massacre. Every Buckaroo got a chance at the bat and two of them two chances. Seven runs came in.

Walla Walla got two in the third on three hits a fielder's choice and

two errors; two in the fifth on two hits, a walk, a passed ball and a wild pitch; another couple in the sixth with a single two bagger, walk and forced hit; and one in the ninth on Lesper's three bagger and a single.

With two down in the third Schmidt fouled the ball and a Buck got on. Pembroke, Peterson and Briggs followed with singles, an error and a passed ball helping to the extent of three runs.

In the fourth a hit by Coen and two errors brought in Coen.

In the sixth, eight hits, three of them two bagers, an error and a hit by pitcher brought in seven. Lesper relieved Jonas in this inning.

## VICTORY PERCHES ON KUBS' BATS IN 9TH

### BAKER PLAYS HEROIC BALL AND MAKES WIN BY ONE

BAKER, Ore., May 8.—(Special)—Two Yakima cast-offs, Berry and Fulwider, played a big part in North Yakima's defeat, 5 to 4, in a thrilling contest yesterday. Berry's three hits, two doubles, counted in the run getting. He started the rally by which Baker made the first two runs in the fourth, pounded in the third run in the fifth and in the ninth, with a score tied, men on second and third, and one out, Fulwider tried to pass his delivery safely and threw one too wide so that French came in with the winning run. Baker played errorless ball and the Braves made only one boot.

Fulwider started in at high speed and moved down the enemy in quick order until the sixth when one lucky hit and a double got him in trouble but he worked out. Then he started to weaken and hits by Harrod, Devine and Fuller scored one in the seventh and a walk and hits by Harrod, Harst and Devine tied the score three to three in the eighth. McKee then hit a home run, putting the Erie ahead again, but Fulwider allowed two hits in the ninth when he was yanked. Peterson scoring the tying run in the ninth off Merrill on a sacrifice fly by Krause. In the ninth French's hit and Siskie's error put Baker runners on second and third and then came the wild pitch to Berry and the end.

## SALTS IF BACKACHE AND KIDNEYS HURT

### STOP EATING MEAT FOR A WHILE IF YOUR BLADDER IS TROUBLING YOU.

When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat, says a well-known authority. Meat forms uric acid which overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and loggy. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels; removing all the body's urinous waste, else you have backache, sick headache, dizzy spells, your stomach sour, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water scale and you are obliged to seek relief two or three times during the night.

Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to clean and stimulate sluggish kidneys, also to neutralize acids in the urine so it no longer irritate, thus ending bladder weakness.

Jad Salts is a life saver for regular meat eaters. It is inexpensive, cannot injure and makes a delightful, effervescent lithia water drink.

## COMB SAGE TEA IN LIFELESS, GRAY HAIR

### IF MIXED WITH SULPHUR IT DARKENS SO NATURALLY NOBODY CAN TELL.

Grandmother kept her hair beautifully darkened, glossy and abundant with a brew of Sage Tea and Sulphur. Whenever her hair fell out or took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Hair Remedy," you will get a large bottle of this old-time recipe, ready to use, for about 50 cents.

This simple mixture can be depended upon to restore natural color and beauty to the hair and is splendid for dandruff, dry, itchy scalp and falling hair.

A well-known downtown druggist says everybody uses Wyeth's Sage and Sulphur, because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and abundant.

## NOSE AND HEAD STOPPED UP FROM COLD OR CATARRH, OPEN AT ONCE

My Cleansing, Healing Balm Instantly Clears Nose, Head and Throat—Stops Nasal Catarrhal Discharges—Dull Headache Gone.

Get a small bottle anyway, just to try it—Apply a little in the nostrils and instantly your clogged nose and stopped-up air passages of the head will open, as will breathe freely; dull nose and headache disappear. By morning the catarrh, cold-in-head or catarrhal sore throat will be gone.

End such misery now! Get the small bottle of "Ely's Cream Balm" at any drug store. This sweet, fragrant balm dissolves by the heat of the nostrils; penetrates and heals the inflamed, swollen membrane which lines the nose, head and throat; clears the air passages; stops snoring discharges and a feeling of choking, soothing relief comes immediately.

Don't let awake tonight straining for breath, with head stuffed; nostrils closed, hacking and blowing. Catarrh or a cold, with its running nose, foul mucous dripping into the throat and raw dryness is distressing but easily relieved.

Put your faith—just once—in "Ely's Cream Balm" and your cold or catarrh will surely disappear.

## Purifies Blood With Telling Effect

### Gives Convincing Evidence of Its Direct Action.

S. S. S., the famous blood purifier, cleans the skin as it sweeps its way through the circulation. Its action is so direct that very often in some forms of skin affliction the appearance of the eruption changes overnight, the itch and redness are gone and recovery begins immediately.

As a matter of fact, there is one important reason why S. S. S. is so successful in the treatment of skin eruptions. It is the only medicine that cleanses the blood, and it is the only medicine that purifies the skin. It is the only medicine that gives you a permanent cure. It is the only medicine that is safe for all ages and all conditions.

And in representing the famous S. S. S. as a rapid and positive cure for all skin eruptions, we are not making any claim that is not true. S. S. S. is a medicine that has been used for over 50 years, and it has a long and successful record. It is a medicine that is safe for all ages and all conditions. It is a medicine that gives you a permanent cure. It is the only medicine that is safe for all ages and all conditions.

## ROUND-UP BAND PREPARING TO GIVE SUMMER CONCERTS

Pendleton's Round-up cowboy band, which has won the distinction of being one of the most unique musical organizations in the country, will hang together and is even now holding rehearsals twice a week to prepare for the season of its greatest activity. The local band boys have reorganized, retained Robert Barber as director, hired the Military hall for headquarters and will soon be in readiness to fill all engagements.

The band is not soliciting the Commercial association or the merchants this year for maintenance funds. The leader and the other musicians are all residents of Pendleton and are not seeking money except when they fill engagements. If the citizens of Pendleton want summer concerts again they will be ready to furnish them with the music.

In order to raise funds for the purchase of music, the band will give a concert and dance next Wednesday evening in the Eagle-Woodman hall.

## PHOT ROCK LOCALS

(Special Correspondent)  
 PHOT ROCK, Ore., May 8.—Mrs. William Leathers of Bendleton passed through Phot Rock Wednesday on her way to Nye to visit her parents Mr. and Mrs. Harry Whitaker.

James Nelson and wife of Butler creek passed through here Wednesday on their way to Pendleton.

James Whitaker of Nye was a business visitor here Wednesday.

Miss Myrtle Westgate who has been ill at the Grace Hospital here is recovering slowly. She was moved from the hospital to her mother's home this morning and hopes to return to her studies Monday at Pendleton high school.

Marvin Roy was a business visitor at the county seat today.

Ed Smith visited at Pendleton Wednesday.

The young people spent a very pleasant evening at a so-called star-mallor last Tuesday evening at the grove. Among those present were the Messrs. Noble, Hanson, Mac, Armstrong and Lucile Gilliland and the Messrs. Arthur Bond, Claude Whitcomb, Marvin Roy and Walter Albright.

## Take No Chances on Your Wheat Crop

THE farmers of Umatilla and surrounding counties are being warned to look out for tricksters and beware of wild-cat schemes now being formulated by outsiders who represent that they have a combined harvester that they will sell for less money than local concerns; etc.

## Read and Think This Over

**FIRST:** We want to call all farmers' attention to what became of the Right-Clove Co., the Alex McFae combined harvester, the Reynolds combined harvester, the Double Best combined harvester, and the Haines-Houser combined harvester. Their companies were not strong enough financially to last or their machines failed to "make good." Owners of these machines could not secure extras, the so-called combined harvesters failed them when needed and they had to recourse for satisfaction.

**SECOND:** The so-called combined harvesters now trying to be worked off on our farmers by outsiders, are nothing but "ground power" machines. The "ground-power" combine harvester is out of date and a thing of the past. The farmer that wants one can get a Holt from us at a ridiculously low price—be does not need to pay these other parties' big price for an antiquated machine—but

## We Recommend Holt Gasoline Harvesters

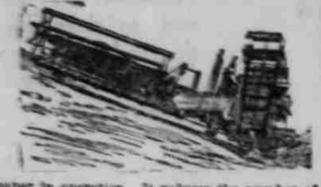

Three years ago nearly all harvesters were ground driven. A few gasoline motors had been mounted by us on Holt Harvesters, but 50 per cent of the machines were of the old style.

In 1911 more than two-thirds of the combined harvesters we delivered were equipped with Holt Harvester Motors. The demand for motors was so insistent that we were unable to meet it. Almost over night an industry of 25 years' standing has been revolutionized.

The change is logical and in step with the progress continually going on in all lines of work. The motor-driven harvester is many times more efficient and considerably cheaper in operation. It reduces the number of horses required to pull the machine 40 or 50 per cent. It provides an even, steady motion at all times. Even motion prevents loss of grain over the shoe. The harvest yield does not affect its separating and cleaning capacity.

Down or lodged grain no longer proves a source of worry. The Holt Gasoline Harvester moves along a few feet, cutting the lodged grain within a few inches of the ground. If the accumulation of straw becomes too large, the horses are stopped and the motor continues to crush the grain until the accumulation is disposed of.

It should be remembered that horse-drawn headers and binders are unable to meet this condition, causing hundreds of thousands of dollars loss each year.

## Holt Service

Holt Harvesters, with ordinary care, will last a lifetime. Eventually, however, some parts will become worn or break and you will need extras. Therefore, before buying, it behooves you to investigate what means have been taken to protect you in this regard.

We have been building harvesters for 27 years and today have an accurate record of every harvester that we have sold. On short notice we can furnish any part of any of those harvesters.

For emergency, we carry stocks of extras at 54 different points in the Northwest, besides our enormous stocks at Stockton, Spokane, Walla Walla, Los Angeles and Calgary. From this you will see that any part of a Holt Harvester can be obtained without delay. This is an important protection afforded you by no other manufacturer. We call it Holt Service.
